August 28, 2020.

The students will need some supplies for their online learning program.  
The school will provide the following items when they become available.

2 Primary Composition Notebooks

1 box of crayons

5 pencils

1 pocket folder

1 writing paper tablet

Some additional writing paper

1 box of Crayola markers

1 glue stick

1 bottle of white liquid glue

and possibly some other materials.

Students would benefit from some items that they can use for counting, sorting, and patterns. At this time I don't know if the school will be able to provide these items.

Please contact me if you have any questions.
