Dear Parents and Guardians,

Welcome to Grant K-8 School and to Kindergarten and First Grade in Room K2. I am looking forward to working with you and your child(ren) this year.

In addition to the academic instruction, I have many fun programs and enrichment activities planned for this year.

Kindergarten is a time of change, growth, and new experiences. As a result, some students require a few days to a few weeks to adjust. However, by the end of the school year, students will exhibit dramatic growth academically, physically, emotionally, and behaviorally. I am always amazed with the progress students make in such a short time.

First Grade is a time to take what one has learned in Kindergarten and expand on it, be a role model for the Kindergartners, and use their skills to help the Kindergarten students.

I will keep you updated on your child(ren)'s academics and behavior through the live link, [The K2 Update](#) and [The K2 Record](#).

Here are four things for you to do;

1. Please click [here](#) or use this link <http://www.instructordave.org/new-student-survey.html> and complete the **New Student Survey**.
2. Please click [here](#) or use this link <http://www.instructordave.org/schedules.html> **if you would like to meet with me** during the first week of school.
